Little about me
"Ioana"

My name is Ioana Porav and I am an international
fine art wedding photographer.

I currently live in Europe, Transylvania
with my husband and our three children.

I make an extraordinary team with
my videographer husband, Vasile Porav.

Our goal is to provide an exceptional photography and videography
experience and service.

We also love and want to travel the world
with our incredible couples who choose to celebrate
the union of their lives in romantic cities!

Expectation

A wedding day to enjoy to the fullest!

I'm here to help you enjoy your wedding day and serve as your
aesthetic guide, making it what it should be:
the happiest day of your life.

I want you to be able to enjoy your day while I will be in the
background to capture those happy moments as they unfold
and also to provide support whenever you need it.

I will be there for you every step of the way and I will
follow to the timeline created by the wedding planner!

My husband and I are sincerely dedicated to the
process of our photographic / videographic quality,
accepting challenges,
always learning and offering
to our couples the most wonderful photographs of them!

Consultation

I love connecting with brides-to-be and the consultation process, either in person or over the phone, will give you guidance, more information and peace of mind as you plan your big day.

Contract + Booking

Once you are ready to book and select your package, you will be required to sign a contract and will be required to pay a non-refundable deposit/holding fee of 30% to secure your date.

The remaining 70% of the remaining amount will be paid after the wedding day!

Love Notes

Ioana is the most wonderful photographer!
She created for us, together with Vasi, the most
wonderful wedding memories!

Phenomenal discretion, not even for a second
did we feel like the target of her photo lens,
which is why the frames captured emotional,
natural and above all special vision moments!

I highly recommend them!
